

Change the lives of at-risk kids, SPONSOR the making of...

STAR KIDS

~ THE MOVIE ~

Film is powerful! We at the **Dream Power Foundation** have decided to use that power to counter the negative media influences on kids — the music, movies, and video games that glamorize violence, crime and negativity. **Our Children deserve better!** To that end, **WE ARE MAKING A NON-PROFIT DRAMATIC FEATURE FILM FOR CHILDREN CALLED "STAR KIDS"** that will presents everyday youth as positive role models who learn and practice the values of Peace, Love, Truth and Unity.

The film will be distributed free to at-risk kids with the help of the many community organizations that work with them, such as the **Boys & Girls Clubs, schools and community centers**. Although our initial focus is local, our goal is that **one million kids** around the world will ultimately see the movie. But that's not all, to help older kids, we have created...

Kids Helping Kids: THE STAR KIDS FILM AND INTERNSHIP PROGRAM, which pairs film students from local film schools, with at-risk teens from our community! Together they are the film crew of the Star Kids Movie. This program gives film students an opportunity to help their community. At the same time, it gives at-risk teens from our community a chance to explore the film industry, gain valuable job experience and most importantly, help others.

WE REALLY NEED YOUR HELP.

To make a feature film of this level is a huge undertaking and on top of that we have to finish shooting it this summer. **One fun way to get involved is for your company to become a SPONSOR.** This way you can help the kids in our community and you and your employees will receive lots of fun thank you gifts and perks too. Get community exposure to our **3000+ supporters and fans.** And, all donations are fully **tax deductible** through our fiscal sponsor **SEED Arts**. (South East Effective Development.) See the following pages to see which sponsorship opportunity is right for you. THANK YOU!!!

STAR KIDS EVENTS & PROMOS

Production Parties

We are planning two production parties to galvanize our support base and raise more production funds. It will be a fun family event scheduled for a Sat. in May or June of 2011. The event will feature live entertainment, arts and crafts for kids, making of footage and we will show a sneak peek of the film. Location: Central District and West Seattle.

The Online Auction.

To raise funds for the Dream Power Foundation we are having an online auction. Sponsors of this event will get premium placement on the auction website as well as the auction emails.

Sponsor a Scene

The production for the film is broken up into 13 segments. A fun way for companies to participate in the production of the movie is to sponsor one of these segments. Companies can participate by donating cash, goods, services or volunteers towards the production. Participating organizations will be recognized in the credits of the film as well as in other fun ways. (See thank you gift descriptions for more details)

Please contact us about how your organization can sponsor one or more of these fun events.

Scheduled Star Kids FILM Shoots

Pre-Production

Production management and planning for the shoots.

The Chinatown Shoot

The Star Kids meet the elder and escape from the agents through Chinatown.

The Library Shoot

The Star Kids meet at a library to decipher an artifact while evading capture.

The Computer Store Shoot

The Star Kids meet at a computer store to build a mysterious machine.

The Abandoned Store Shoot

In an abandoned store the Star Kids turn on the machine and get an important message.

The Mall Shoot

Following clues from the message the Star Kids take a break at a Mall

The Waterfall Shoot

At a waterfall the Star Kids meet a special being.

The Volcano Shoot

Guided to a volcano the Star Kids learn more about their mission

The Islands Shoot

At a mysterious island many lessons are learned.

The Mainland Shoot

Finally evading the agents the Star Kids discover the unsettling truth of their existence.

The Forest Shoot

On a quest for answers the Star Kids visit an ancient forest and face their greatest test yet.

Post Production

The special effects, re-shoots, music composition, sound design and final editing.

Distribution and Promotion

The manufacture of DVD's, screenings, entertainment and promotional materials.

Sponsorship Promotions and Thank You Gift Descriptions

Video on DVD and Events

We will place a 3-minute trailer/commercial/promo video on the DVD and screen it at all of our events where possible. If you do not have a video we will produce it for you.

Title Film Credit.

Your companies name and logo will feature as the title of the end credits section for this shoot.

Logo Sign on Set.

We will place a sign on the set. More than half of the sets are to be located in high traffic areas.

Notes:

- The Title Sponsor will receive all of the above.
- This is a feature film that we plan to distribute worldwide.
- Currently we have 3000 plus supports and email addresses.
- The film is aimed at elementary school children more towards the upper grades.
- We plan to have lots of family friendly events to promote the film depending on the event and location we expect from tens of people to hundreds at each event.

SPONSORSHIP LEVELS

With the goal of reaching one million inner-city children, The Star Kids Movie Project is offering select organizations an opportunity to help at-risk kids by being an official sponsor of the Star Kids Film. By being a sponsor, your organization will have an opportunity to associate with a positive film event and support change in our communities.
